

A Message from Margaret...

Thank you for visiting St. Andrew's web-site. We are a diverse and inclusive congregation, representing the old and new, the young and the not so young, students, retirees and workers in and out of the home, and singles and families of all descriptions. Some of us have worshipped in the Episcopal Church all of our lives, some of us have come following God's call to journey to a new place. As we celebrate God's presence at the Table, in Panama City, and in the World, we do so reflecting the wholeness of God's creation in our language, worship, prayers and music. We believe we offer an exciting worshipping community and we thank you for being interested in our parish. May God richly bless you. Margaret+
